

PeopleFluent Learning

License Feature Matrix

Features available per license option

About the License Feature Matrix

The License Feature Matrix shows which features are available per license option.

Audience

This document is intended for PeopleFluent customers and partner companies, to help them determine which license they require for PeopleFluent Learning.

Notice to Users

This document is subject to revision based on external hardware and software changes; it may be updated periodically to reflect those changes.

PeopleFluent supports and provides defect fixes for PeopleFluent products under valid Support and Maintenance Agreements on only those operating systems and third-party systems that have been certified and published by PeopleFluent. PeopleFluent will not be responsible for providing any defect fixes for non-certified distributions.

Document Information

This section lists any changes or updates that occur following initial publication.

Table: Document Revision

Revision Information	
Revision Date:	November 07, 2023
Revised Document Version Number:	1.0
Details of Revision:	Initial publication.

License Feature Matrix

 The Performance license is no longer available for new contracts from 15.2 onward.

License Feature Matrix

Feature	License				
	Course Handling	Exams	eLearning	eLearning+	Learning
