Issues List

The following table includes the client-reported and internally-found issues addressed in this release.

Table 2: Issue Descriptions and Resolutions

Zendesk Ticket IDs	Internal ID	Issue Title	Issue and Resolution Details
	NSD-10784	Issues with Enrollment Approval	Some status change action could potentially bypass the enrollment approval process, and if the approver backdates the approval, an exception could occur, this has been fixed.
	NSD-10783	Approved program enrolments are being updated to denied after the approval expiration period is exceeded	Due to some status change action to bypass the enrollment approval process, the existing step would still run its expiration course, this has been prevented.
413538	NSD-10787	Expired modules were showing green in the Learning Path	A minor regression issue was introduced in 26.02 that changed the color of Completed, but Expired, modules on the Learning Path screen to Green.This has been corrected.

385752	NSD-10707	Course Calendar the Close button issue	In some cases, where the course details opened in a new window, there was an issue wit the Close button on courses opened from the Course Calendar due to browser restrictions on JavaScript close functionality.This has been corrected.
373739	NSD-10181	R139 Issue with Administrative Entry transcript records	The R139 - Job Profile Compliance Report had a minor issue introduced in 26.02 where Administrative Entry transcript records were showing in the report.This has been corrected.
