Issues List

The following table includes the client-reported and internally-found issues addressed in this release.

Table 2: Issue Descriptions and Resolutions

Zendesk Ticket IDs	Internal ID	Issue Title	Issue and Resolution Details
377326	NSD-10028	Report issue on Firefox	Firefox made a recent change to the way it handles form.submit() as part of JavaScript execution, which prevents all Standard Reports from working correctly when attempting to Run in Browser or Run in Batch Reports.This has been corrected starting in 25.02.3. Chrome and Edge were not affected and still work correctly.
	NSD-10008	R140 alphabetical order was not case sensitive	A change made in 25.02.2 including making the R140 report and the corresponding Job Profile Competency Quota Analysis screen in alphabetical order based on the System Configuration setting "Sort users by last name?".However it treated upper and lower case differently.This has been fixed to be case-insensitive.
	PLC-704	Issue withCertification History report type in Report	A minor issue was created in 25.02.2 patch that affected the Certification History type.This has been fixed.

		Wizard	
	PL-8880	Refresh Membership of Group task error has been fixed.	The error causing "Failed to run task: REFRESH_MEMBERSHIP_OF_GROUP" has been resolved.It was an inadvertent bug introduced when fixing a different issue for User Groups that includedorganization attribute criteria to dynamically add users.
375788	NSD-9999	The R210B report attendance will be shown.	Although R210B is called an Attendance Sheet, the report will now indicate whether a participant was marked as having attended the session.
367470	NSD-9933	Email notifications on original session for session transfer.	A minor modification of a change made in 24.04 to help remove cancelled sessions from user's calendar when transferring to another session and both sessions have dates.With this change, when the Enrollment Policy does specify an email template for Withdrawal, a Course Withdrawal Notification and a Session Transfer Notification will be sent to the learner.When the Enrollment Policy does not specify an email template for Withdrawal, a Session Cancelled Email (configured in System Configuration) and a Session Transfer Notification will be sent to the learner.
373942	PL-8759	The Overall Module Status column on the R139 report had a minor issue.	In some cases, there was a "Not Started" status for a module when there was a presence of a completion date.This has been corrected.
373934	PL-8757	The All Requirements Met column for job profiles on the R139 report had a minor issue.	In some cases, there the All Requirements Met column for a job profiles was showing "No" when all of the required competencies were showing as complete and valid.This has been corrected.
